THE TIGER WITHIN

THERE'S A TIGER WITHIN,
A HUNGRY BEAST,
IT GRASPS THE MOST,
OUT OF THE LEAST.
WHEN WE'RE WEAK ,
AND CAN'T GO ON,
IT ROARS OUTLOUD,
AND MAKES US STRONG.
ITS FIERCE STARE,
SEEN IN OUR EYES,
THREAT OF ATTACK,
POUNCE OF SURPRISE.
IT HIDES AND WAITS,
FOR ITS PREY AND THEN,
THE WORLD FEELS THE WRATH,
OF THE TIGER WITHIN.

Headmaster's Address

John D. O'Bryant School

Dear Graduates:

I would like to use this final opportunity to congratulate the senior class, and to acknowledge it's many achievements and accomplishments.

I sincerely believe that your success has been largely the result of many hours of hard work, sacrifice, and time spent preparing for the coveted diploma that you will receive at graduation. This is only the beginning of an ongoing process that will continue throughout your careers. Experts are predicting that members of this year's class of '96 will undergo several career changes during their lifetimes.

Many of you have indicated that you intend to continue your studies in September. That is a good sign, because it is essential that you further your education. To do so, you must set realistic goals, and strive to achieve them. Your formula for success must include sacrifice, perseverance, determination, and endurance.

The 21st century promises to be a golden age for those who prepare themselves. Those who have willpower, stamina, and the determination to succeed, will reap the benefits.

Therefore, the education that you receive during the next 4 years should provide you with necessary skills that will prepare you to take advantage of the many job opportunities that will become available. You must continue to re-train and update your education because of the rapid technological advancements taking place in the fields of science and technology.

I would like to conclude by wishing the best of luck for the Class of 1996. May you be successful and have rich, rewarding and healthy lives.

Remember that today is the first day of the rest of your life. Use your time wisely.

Best wishes,

Gustave Anglin

Message from the President

For the past three years, the closeness that bonded the class of 1996 together could never be duplicated in any other class. There were times that we laughed at the fashion shows and class plays. There were times that we cried at the sight of seeing our peers dying due to the violence in our society or the loss of family members. Despite all we faced in our past three years, we have always been there for one another as the unique group of individuals that we are.

Now we are moving up and beyond as graduation approaches. Our minds are expanding, and we are beginning to see a picture of life differently than we used to one or two years ago. These are signs of the maturing adults that we are turning into. As we walk through the doors of higher education some of us may come out as doctors, expressing our compassion and desire to save lives. Some of us may be beauty consultants, trying to keep the faces of others pleasant. Then some of us may be construction workers and engineers, getting in depth of the physical being of production. Regardless of what field we may enter. We are a special class that will be remembered in the history of the school because ours is the 100th graduating class.

Its been great being part of this class. I'll miss all of you dearly, but remember that all of us can make it in this highly competitive world if we want to, so don't be followers, be leaders. Best Luck To You All.

City Champs

The girls volleyball team has amazed us again, with a stelar season. Winning this year's city championships, has made the ladies back to back city champions. The beginning of the season was a bit rocky. With the loss of some seniors from last year the team had to regroup, and come up with a plan. The girls worked very hard this past season, varsity starters; Linda Accime; Slandah Aldophe; Karen Chen; Ying Mei Chueng; Diana Fang and Zuleyka Ramirez, with the help of coach Fischer got this team all fired up.
Winning most games with scores of 15-0 or 15-3, the Lady Tigers suffered only two non-division losses.

Each of the ladies brought something special to the team. Whether it was great sports man ship; great athleticism or just a nice smile. The rest of the Varsity and J.V including; Erline Achille, Chenelle Bruce; Nadia Colon, Bao Hsu, Mini, Cam Luong, Letta Ly, Jessica Poulino, Shaleah Rabouine, Wang See Lee, Sheba Senat, Vannessa Sum, Sam Yeh, really brought enthusiasm to the team. I would like to congratulate the girls volleyball team, and wish them luck next season.

Theme

"Always and Forever"

Always and forever
Each moment with you
Is just like a dream to me
That somehow came true
And I know tomorrow
Will still be the same
'Cause we've got a life of love
That two won't ever change and

There'll always be sunshine
When I look at you
It's something I can't explain
Just the things that you do
And if you get lonely
Call me and take
A second to give to me
That magic you make and

Everyday
Love me your own special way
Melt all my heart away with a smile
Take time to tell me you really care
And we'll share tomorrow together
I'll always love you forever
Ever, Ever, Ever ...

Everyday
Love me your own special way
Melt all my heart away with a smile
Take time to tell me you really care
And we'll share tomorrow together
I'll always love you
Forever ...
